Are you or anyone you know dealing with a physical ailment or disease? Do you know that God's desire for your life includes living in perfect health? Do you also know that God continues to miraculously and powerfully heal people of their illnesses all over the world, every day?

**"And these signs shall follow those that believe....they shall lay hands on the sick, and they shall recover." Mark 16:17-18**

Beginning January 26-27<sup>th</sup>, experienced prayer team members from ten Boston area churches will join together to pray for physical healing for anyone seeking God's touch.

Doors will open every other week on Thursday nights at 7:30pm and again on Friday morning at 10:30am. Individual prayer sessions will last approximately ½ hour and will be given on a first-come, first-served basis. Sign-up for sessions will begin one hour prior to the prayer times listed above. Additionally, there will be a Soaking Room open for private prayer and resting in God's presence for those who are waiting.

Please spread the word – tell your friends, family, co-workers – anyone who is in need of physical healing. Email questions to [healingrooms@cambridgevineyard.org](mailto:healingrooms@cambridgevineyard.org)
